

Wednesday 3 June 2020

Dear Parents and Carers,

We are looking forward to welcoming back children from Nursery, Reception, Year 1 and Year 6 from Monday 8 June 2020, in addition to providing provision for key worker and vulnerable children. Please ensure that you have read and understood the procedures for returning to school, including details of staggered start times. It is vital that all children arrive and are collected on time.

The procedures can be found by following this link:

If you have decided not to send your child to school on 8 June and you change your mind, you must inform the school office of your decision. The school office will let you know the date from which your child can attend school. This may not be immediately as we will need to look at bubble sizes and staff availability.

As school will look very different to before, we have produced a short video for you to share with your child/children prior to them returning on Monday 8 June 2020. The video can be accessed by following this link:

We have published our risk assessment and all additional procedures documents on the school website. Please take some time to read them. They can be found in the parents section of the school website on the Covid 19 update page.

Kind regards

Mr. Bridgewater
