

## Tapestry Learning Journal

Dear Parents,

All Reception Parents have been sent an activation link via email to activate their Tapestry Account (also check junk/spam folder). Once you have followed the link and set up a password you will be able to log into Tapestry via the website <https://eylj.org/>.

There is video that you can watch which takes you through the process of how to activate your account.

You can also access Tapestry using a smart phone and the app can be downloaded from your phone's app store.

Once you have logged in you can view your child's learning journal from their time at school and you can also upload photographs of their learning at home.

There are lots of useful videos of how to use Tapestry on their website. The link below shows you how to upload an observation.

We will be adding memos each week with hints and tips for learning at home. There is also a learning from home certificate that you can download under the documents section.

We look forward to seeing what you have all been doing.

Kind regards and keep safe,

Reception Staff.
