

Physical Education (PE) at Foxmoor Primary School.

At Foxmoor our aim is to provide every child with the opportunity to access safe, high quality physical education through a curriculum which will have a positive impact on their health and mental well-being.

We provide planned, progressive learning through a broad range of activities, including sport and dance, which promotes; physical 'learning to move' (physical competence) and 'moving to learn' (learning through movement, a range of skills and understandings beyond physical activity).

At Foxmoor we are proud to have retained the Association for Physical Education Quality Mark with Distinction and we have been used as an example of good practice with Department of Education with regards to our swimming provision. Foxmoor staff communicate high expectations, enthusiasm and passion about PE to all children and we ensure that all staff are highly trained to deliver innovative and imaginative activities to engage and stimulate children.
